Checkatrade: 9.5/10 from 96 reviews

THE NOTE

Mr Ceni,

New Life Building & Maintenance scores 9.5/10 from 96 reviews on Checkatrade. Customers call the work "brilliant" — but that praise sits on a page you do not control.

You have no website. Someone searching "wall tie replacements London" or "brick structural repairs" finds builders who do. A fast mobile site showing your Checkatrade score, your photos, and a tap-to-call button changes that.

Reply yes and I will send one example site built for a London builder.
