Checkatrade: 10/10 from 5 reviews

THE NOTE

Dear Mr Saimir Dollapaj,

You have a 10/10 rating on Checkatrade for your building work. People like your Agricultural Building and Basement conversions. When people search for builders like you, they find competitors with websites. You need a simple mobile site to show your work and "great work" from customers. This site should have your reviews and a tap-to-call button. Let's build one.
